In response to the Final Office Action dated 02/09/2004, please amend the above-identified application as follows:

RECEIVED

APR 15 2004

Technology Center 2100

IN THE CLAIMS:

(Previously cancelled) Claim 1.

2.(Previously amended) A method for testing a data storage medium for defects, the method comprising the steps of:

determining whether a region on said storage medium contains user data, and if so, copying said user data from said region to a temporary storage location;

after the copying step, attempting to write a data pattern to said region of the storage medium, and then reading back contents of said region;
